## Rhagymadrodd / *Introduction*

Mae'n bleser mawr ysgrifennu cyflwyniad byr i'r gwaith hwn. Bydd y rhestr hon o fynegeion i fynegeion papurau newydd a chylchgronau Cymreig yn fuddiol iawn i ymchwilwyr. Diolchaf i William Howells o Lyfrgell Ceredigion am ymgymryd â'r gwaith ar wahoddiad Panel Cyhoeddiadau Cymdeithas Llyfrgelloedd Cymru. Y mae William, wrth gwrs, yn fynegeiwr profiadol, ac mae'r rhestr yn cynnwys nifer o fynegeion a luniwyd ganddo ef ei hun. Hoffwn ddiolch yn ogystal i'r llyfrgelloedd hynny, academiaidd a chyhoeddus, a ymatebodd i'n cais am wybodaeth am fynegeion lleol – mae eu cynnwys yn y rhestr hon yn ei gwneud yn ddogfen gyfoethocach, ac yn fodd i hysbysebu bodolaeth y mynegeion hynny. Mae'r rhestr yn cynnwys mynegeion amrwd mewn llawysgrif, mynegeion teipysgrif, mynegeion ar gardiau, mynegeion safonol printiedig ag enghraifft o'r dechnoleg ddiweddaraf trwy gyfrwng mynegai CD-ROM i'r *Western Mail*.

Yn ogystal â'r mynegeion unigol a nodir yn y gwaith hwn, mae'n werth tynnu sylw at y ffaith fod cyfran sylweddol o erthyglau cylchgronol wedi'u cynnwys mewn mynegeion cyffredinol. At bwrpas y cyflwyniad hwn digon yw tynnu sylw at y teitlau canlynol a all fod o ddefnydd pellach i'r ymchwilydd: *Bibliotheca Celtica*, *British Humanities Index*, *Llyfryddiaeth Cymru a'r Subject Index to Welsh Periodicals*. Yn ogystal mae Llyfryddiaeth Cymru ar gael ar y We, ac mae'n cynnwys gwybodaeth gyfredol; [gw.: <http://www.llgc.org.uk/lp/lp0061.htm>].

Dylid anfon unrhyw gywiriadau / ychwanegiadau i'r gwaith hwn at Huw Llywelyn Evans, Swyddog Gweinyddol, Cymdeithas Llyfrgelloedd Cymru, Llanbadarn Fawr, Aberystwyth, Ceredigion, SY23 3AS. e-bost: [hle@aber.ac.uk](mailto:hle@aber.ac.uk).

*It is a great pleasure to write a short introduction to this work. This list of indexes to indexes of Welsh periodicals and newspapers titles will prove a useful tool to many researchers. I would like to thank Mr William Howells of Ceredigion Library for undertaking the work on behalf of the Welsh Library Association Publications Panel. William is, of course, an experienced indexer himself, and the listing includes many of his own indexes. In addition to thanking William, I would also like to thank those libraries, both public and academic, who responded to our request for information on locally held indexes - their inclusion in this work will enrich the listing and publicise many indexes that are not hitherto well-known. The listing includes crude indexes in manuscript format, card and typescript indexes, conventional printed and published indexes, and an example of the latest technology with the inclusion of the Western Mail index on CD-ROM.*

*In addition to the individual indexes noted in this work, it is worth drawing attention to the fact that a substantial body of Welsh periodical literature has been indexed in other more general works. For the purpose of this introduction it is sufficient to note only the titles: Bibliotheca Celtica, Bibliography of Wales, British Humanities Index and The Subject Index to Welsh Periodicals. In addition the Bibliography of Wales, which also includes current information, is available on the World Wide Web: [<http://www.llgc.org.uk/lp/lp0061.htm>].*

*Any additions or corrections to this publication should be forwarded to Huw Llywelyn Evans, Executive Officer, Welsh Library Association, Llanbadarn Fawr, Aberystwyth, Ceredigion, SY23 3AS. e-mail: [hle@aber.ac.uk](mailto:hle@aber.ac.uk).*
